value it too high when put next together with your competition, you will find your self steadily decreasing the value, which will cause you all types of new problems in the future.

Choosing the right worth for your **Page 3** e-book is likely one of the most important elements of the advertising process. The first rule of pricing ebooks is to by no means underprice. Determine the highest value your audience can afford, after which for those who discover your ebook isn't promoting, you possibly can always cut back the price. Before you are taking that step, be sure to are promoting your Page 3 e book like loopy on the Internet and on websites. The worth ought to be aimed toward bringing in profits, but it is best to by no means forget that price is likely one of the components that folks use in judging the worth of your *Page 3* book ? earlier than they buy it. So always start with the very best value, and then launch a mega-marketing campaign.

Pricing an e book is particularly difficult as a result of ebooks are a reasonably new commodity. Since they're digital, the value of an e book

is as complicated because the understanding of what digital truly is to the common layperson. Because of this we should look at ebooks in a distinct genre as a way to determine their precise value on this brave, new cyber world.

Let us take a look at the distinction between a book in print and an ebook. A printed book is an object you possibly can maintain in your hand, retailer on your bookshelf, even hand down to the subsequent generation. It is priced on factors such as paper inventory, design and manufacturing prices, and marketing.

But the truth that unites ebooks and print books is that they're composed of ideas. It's the ideas in these books which have the flexibility to change, or probably transform, people's lives.

What do you suppose an thought is price when evaluated against the price of paper and ink?

It's the IDEAS which might be beneficial! That is the way you decide the price of your ebook.

What should I cost for my ideas?

There are all completely different formulation and methods for determining the proper worth to your ebook. Let's begin with honing in in your final goals.

Determine in case your goal is to get vast distribution and maximum exposure. This aim is aimed toward drawing prospects to your

corporation or service, or to establishing the credibility of your reputation. If this is your foremost purpose, you should purpose to maintain your price on the low side. Some authors have even priced their ebooks at a profit loss to attract a excessive number of new customers. The secret is to discover a price that maximizes your income and the number of books you sell.

This is a wonderful pricing strategy if you are trying to purchase long-term customers. Lengthy-time period clients are extremely possible to purchase from you once more and once more ? as long as the primary e-book they purchase is of exceptional quality and beneficial to the customer.

Nonetheless, if your book incorporates valuable ? and extra importantly NEW info, references, or techniques ? then you need to goal to cost it on

the excessive end.

After you determine your purpose, you need to figure out what your viewers's need is to your ebook. For example, does your book resolve a specific downside? If it does, and solves it in a approach that hasn't been written about in 100 other ebooks, you may be capable of obtain excessive gross sales at a high price. If your guide solves an issue or solutions questions in a new and distinctive means, you need to price your e-book as excessive as you may go. You will obtain larger income this manner, however bring in fewer customers. Just be certain that the question or problem that your book solves is one which is important and related to nearly all of your market audience. In case your concepts are usually not frequent knowledge, or you are presenting a model new approach, it is possible for you to to sell books at a excessive price. Simply be prepared for your competitors to undercut you on value as

quickly as they hear about your book.

Remember the fact that the above pricing technique is temporary. Eventually, you will stop to sell books at this high price. So figure out upfront how lengthy you plan to offer your e book at this excessive price, and when that point is up, change your pricing strategy.

If you wish to see large profits over buyer draw, intention for an audience that's on the lookout for simple solutions to their problems at a low price. If your ebook is aimed toward solving one explicit problem quite than normal advice, then you can cost more. Begin at the highest price the market will bear to herald the largest profits, and plan to low cost the book a variety of occasions all through the year.

Advertising and marketing Methods

The key that unlocks the sales potential of your book is to find a single sentence that becomes your promoting handle. This sentence states what question or drawback your book solutions and the advantages your e-book can provide. Then make sure to use that sentence in each piece of gross sales and promotional material, and every time anybody asks you about your ebook.

In addition to selling your books assiduously online, there are several other strategies that may enable you to sell extra books.

One is to provide one thing away without spending a dime along with your e book, akin to a helpful bonus item. Or bundle several ebooks

beneath one price, which lowers the price for each e-book in the event that they have been bought separately.

An efficient technique for determining a value is to send out a survey to your present customers. If these customers have already purchased an e-book from you, ask for their opinion by way of price. Do that by making a gross sales page for the brand new book, but do not embrace a price on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure your gross sales copy is exactly the identical on each page, and includes your selling-handle sentence. Then work out for every page the conversion ratio between visitors to your site and gross sales of your book. This will

let you know what your optimum price is.

In the end, if you've written a guide that solves a downside or presents a brand new approach, your guide will bring in each visitors and profits. So you should definitely write that promoting-handle sentence that sums up what problem your e-book solves and what the advantages of your *Page 3* guide might be to the shoppers who purchase it. And then watch your market come to you!
