price. Do this by creating a sales web page for the brand new e book, but don't include a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Then work out for every page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum price is.

Finally, should you've written a ebook that solves a drawback or presents a brand new method, your book will usher in both site visitors and profits.
